The **BRDB-ROTARY CHILDREN'S RESIDENCE** (BRCR) (JKM Reference No.: B/PJB KK 010/2017) is a safe Home built by **ROTARY BRDB TRUST** with Registered Trustees (Registration No. PPAB-20/2011), an institution jointly established by **The ROTARY CLUB OF KUALA LUMPUR DIRAJA** (RCKLDIRAJA) and **BANDARAYA DEVELOPMENTS SDN BHD**, for Abandoned and Children-in-Need. BRCR is located on a 2.2 acres premises in Seri Kembangan, Selangor, Malaysia. More than just a Home, it is a safe place for young Abandoned and Children-in-Need of ages 3 to 10 years old, to be nurtured and shaped into responsible adults of tomorrow.

BRDB Rotary Children's Residence has both that heart and soul in the manner in which it treats the innocent children at risk. The Residence could easily be mistaken for an international school, given its contemporary structure, the spaciousness that calls out for you to "let loose" without any inhibitions and the modern furniture and fittings. The Residence boasts of a kindergarten which is managed by experienced teachers, a spacious dining area, a library, computer room, study room, an organic garden and separate dormitories for the girls and boys. A visit to the residence will leave you in awe and one can't help but be impressed with the thoughts that have gone behind this Jewel.

The heartbeat of this residence is the staff who are entrusted with the children's character development, health concerns and school matters. Recognizing that every child is different, the Residence also addresses the special schooling needs of the slow and special learners. With an aim to elevate the self-esteem of the children and to help them earn the respect that they so deserve, careful attention is given to discipline, responsibility, studies, games , arts and music.

The Residence has the potential to house 100 children and members of the public are welcome to recommend children who deserve a better life. Open, on a free of charge basis, to all children at risk aged between 3 years to 10 years, the Residence is keen to take on more children and you can be assured that the children will be on the path to a better life. We welcome both the children and financial support from members of the public and together let's make a difference to society. [BRDB-ROTARY Children's Residence Donation Form](#)
